

## Fall 2008

Our seminars are sponsored by

Gartner Lee

Date	Time	Presenter/Subject	Location
Sept 10	4-5:30 pm	<a href="#">Del Fredlund</a> , Professor Emeritus, Dept of Civil and Geological Eng, Univ. of Saskatchewan, Saskatoon, " <a href="#">Unsaturated Soil Mechanics in Engineering Practice</a> "	Dunning 10
<b>Friday, Sept 12</b>	7:45am-5pm	Short course by Prof. Fred H. Kulhawy, Cornell University, NY. " <a href="#">Estimation of Soil Properties for Foundation Design</a> "  <b>REGISTRATION REQUIRED</b>	Donald Gordon Centre
Sept 17		<b>No seminar this week</b>	
Sept 24		<b>CGS Conference, no seminar</b>	
Oct 1	4-5 pm	<b>No seminar this week</b>	Dunning 10
Oct 8	4-5 pm	Mark Diederichs, Geological Engineering, Queen's University, " <a href="#">Spall prediction - State of Practice. Where do we go from here?</a> "	Dunning 10
Oct 15	4-5 pm	Jocelyn Grozic, Associate professor, University of Calgary, " <a href="#">Warming up to gas hydrates: A geomechanical perspective</a> "	Dunning 10
<b>Thursday, Oct 23</b>	12:00PM	Canadian Geotechnical Society hosts: Cross Canada Lecture Tour, <a href="#">Dr. Aurèle Parriaux</a> , <a href="#">Professor Swiss Federal Institute of Technology, Lausanne, Switzerland</a> , <a href="#">The Deep City research project: the use of urban underground for construction</a>	<b>Kingston Brewing Pub, RSVP with Dr. Moore, by Oct 21</b>
	4-5 pm	Cross Canada Lecture Tour, <a href="#">Dr. Aurèle Parriaux</a> , Professor Swiss Federal Institute of Technology, Lausanne, Switzerland, " <a href="#">Groundwater in landslides: understand, model, secure</a> "	<b>Ellis 324</b>

## Fall 2008

Our seminars are sponsored by

Gartner Lee

<b>Thursday, Oct 30</b>	<b>10-11 am</b>	Dr. Chris Haberfield, Golder Associates, Australia. " <a href="#">Foundations (piles) in Rock – Serviceability Rules</a> "	<b>Chernoff 211</b>
Nov 5	4-5 pm	Antonio Gens, GADLS, " <a href="#">Soil-environment interactions in geotechnical engineering</a> "	<b>Mac003</b>
Nov 12		Ed San, Gartner Lee  <b>Postponed till next semester</b>	
Nov 19	4-5 pm	Edwin Safari, post-doc, Queen's University, " <a href="#">High Strength Leachate Management; Problems and Possibilities</a> "	Dunning 10
Nov 26	4-5 pm	Sarah Dickson, Assistant Professor, Dept. of Civil Eng., McMaster, " <a href="#">Spontaneous Expansion and Mobilization of Discontinuous Gas Above DNAPL Pools</a> "	Dunning 10
Dec 17	4-5 pm	Dr. Jorge Zornberg, University of Texas, Austin, " <a href="#">Evapotranspirative Covers: A Quest for Consistency among Regulations, Design, and Post-Closure Monitoring</a> "
